

RISE AS ONE

RISE AS ONE DEVELOPMENTAL PLAYER PROGRAM

Rise as One AAU will offer select players the opportunity to become a “Developmental Player.” This is for players who might not have been quite good enough to be selected for a team, yet possess the potential to become selected in the future. As we all know, young players develop at different rates and times. Some of the players are “stars” today simply because they may be bigger and stronger than others.

A Developmental Player is entitled to attend all practices and The Basketball Factory skill session, but NOT play in any games unless there happens to be an opening because a regular team member is unavailable. It is our belief that if a player stays with it and continues to practice and learn they will be ahead of others who have not taken the time to develop there skills.

Please understand that there is no pressure to become a Developmental Player. We fully understand that your son or daughter may choose not to continue, or to try another program. If so, as always, we wish them nothing but the best.

But, if your son or daughter does choose to take advantage of this opportunity, the cost is half of what the regular tuition cost will be. Thus, if in grades 4-6 it is \$350.00. Grades 7-10 \$400.00 Upper level is \$475.00. In addition, the player is expected to pay \$70.00 for the purchase of a uniform so they are ready to play if an opening occurs. Naturally, if the parents choose for the player to not participate in any games, the uniform need not be purchased.
